MARAFIKI MINERALS LTD

TRUST · VALUE · PROSPERITY

Connecting Africa's Mineral Resources to Global Markets.

Reliable Minerals. Lasting Partnerships. A Brighter Future.

Marafiki Minerals Ltd is a mining and minerals company with operations and business activities in the Democratic Republic of Congo (DRC) and Uganda. With more than 11 years of experience in the mining and mineral trading industry, we have developed valuable expertise in mineral exploration, mining, sourcing, consultancy, and international mineral trade.

Sustainable Mining for a Stronger Africa

MARAFIKI MINERALS LTD

Our Resources. Your Opportunities.

About Us

Marafiki Minerals Ltd is a mining and minerals company with operations and business activities in the Democratic Republic of Congo (DRC) and Uganda. With more than 11 years of experience in the mining and mineral trading industry, we have developed valuable expertise in mineral exploration, mining, sourcing, consultancy, and international mineral trade.

Our primary mining activities are conducted in the Democratic Republic of Congo, a region known for its significant mineral resources. We focus on the exploration and production of precious and strategic minerals, including gold, diamonds, coltan, lithium, silver mercury, blue sapphire & emeralds and other mineral resources.
